Kirksville Fire Department | KTUF 93.7 FM | Community Action Partnership

To whom it may concern,

The holidays are right around the corner, and planning is once again underway for the annual *Adopt-A-Child Christmas Program* for the 2019 Christmas Season. Since the program's beginnings in 1985, special gifts have been given to approximately 400 Adair County children each year. The program supports families who may not otherwise be able to give their children such a holiday treat. The children and families are treated to a party complete with refreshments and door prizes, where Santa arrives on a fire truck to hand out the special gifts to these eager children.

With such a sizeable operation, success of this program relies on donations and support from the community. There are several ways to participate. We would greatly appreciate donations of the following items.

- Financial contributions
- Wrapping paper and/or tape
- Items for homemade stockings (candy, toys, coupons for free items)
- Generic gifts
- Door prizes
- Homemade or bought cookies

Any pre-wrapped or store-bought cookies/snacks may be left at any time. Donations of homemade cookies, however, should be brought closer to the date of the party (December 12, 2019).

Should you wish to donate, please feel free to contact Teresa Attebery at 660.665.3734. The program is held in mid-December, therefore donations should be received by December 5, 2019 at the Kirksville Fire Department, located at 401 N. Franklin St. Kirksville, MO.

This program has been immensely rewarding in past years thanks to the generous support and contributions from the community. Let's make this year's holiday season just as successful!

Sincerely,

Teresa Attebery, AAC Program Coordinator

Jon Cook, Fire Chief

Travis Gregory, Deputy Chief
