News & Information from the City of Kirksville

VOLUME 21, ISSUE 6

JUNE 2015

GET INVOLVED IN OUR COMMUNITY!

Many of us want to better serve our community and ensure that our voice is heard. If you are available to volunteer an hour or two per month, you should consider serving on a Citizen Committee. There are a variety of citizen committees that meet monthly to discuss issues facing the City and make recommendations to the City Council. Most committee members serve for three or five year terms. A list of those committees, and an application to serve, are available at: www.kirksvillecity.com/Boards-Committees.

For more information on Citizen Committees, please contact City Clerk Vickie Brumbaugh at 660-627-1225, or by email at: ybrumbaugh@kirksvillecity.com.

2014 WATER QUALITY REPORT

The 2014 Water Quality Report is now available. The report provides you with important information about your drinking water, and the City's efforts to continue providing safe drinking water for our community. The reports are issued annually for the previous year and are available by July 1st.

You may pick up a hard copy from the front counter at City Hall as well as the Public Works Complex, or view it online at: www.kirksvillecity.com/water-quality-reports.

AIR RACE CLASSIC FLIES TO KIRKSVILLE!

The 39th annual "Air Race Classic" will have pilots making their way to Kirksville between June 22nd and 25th! The Classic is a transcontinental race for female pilots, originally started by pilots like Amelia Earhart.

We're excited the Classic is stopping in our community as the race will bring a number of followers who will be staying and spending money in Kirksville. The race will kick off on June 22 in Fredericksburg, Virginia, and conclude on the 25th in Fairhope, Alabama. Kirksville is the 9th stop for the pilots racing in the Classic.

BIG BAM RIDES TO KIRKSVILLE!

The Big BAM is coming to Kirksville June 25th—26th! The Big BAM is Missouri's border-to-border, 300 mile bicycle and music festival incorporating live music and other entertainment in communities across the state.

We're also excited that the Big BAM chose our community as an overnight stop for June 25th. Riders will be coming through Downtown Kirksville in the afternoon and enjoying its shops and eateries before camping in Rotary Park that evening to enjoy live musical entertainment. The riders will then leave Kirksville the morning of June 26th.
